A player must receive at least two votes to be named on the All-Region team. All players on the All-Region teams will be considered for All-State. The top 8 vote-getters (plus ties) in each region were named first team, the next 8 (plus ties) were named second team and the next 8 (plus ties) were named honorable mention. If a team doesn't exist (i.e.: Honorable Mention) or wasn't filled with at least 8 players, that means that not enough players in that region had at least two vote.
